

# Project BRIEF

*I-94 North-South Freeway Project information*

## County K Crossroad (Racine County) Reconstruction Project

The Wisconsin Department of Transportation (WisDOT) is well underway with the reconstruction of County K Crossroad Project (*Racine County*) as part of the I-94 North-South Freeway Project.

*Please note that all construction is weather dependent and subject to change.*

**Long-term closure scheduled  
Tuesday, September 5, at 6 a.m.**

- County K west of West Frontage Road is scheduled to close long-term to traffic to reconstruct the roadway and will remain closed through mid-December.

**Alternate Route:** Motorists are encouraged to use County K east to East Frontage Road and take East Frontage Road south to WIS 20. Continue on WIS 20 west to 80th Street and take 80th Street north to County K to get around the closure. (See map for details)

West Frontage Road will remain open to through traffic at County K.

*The project team thanks you for your patience and cooperation throughout this project!*
