**Public Hearing to consider a proposed vacation of a portion of the unimproved public right-of-way known as Monica Drive in the Village of Caledonia as depicted on the maps below that is not necessary for public safety and convenience:**

Present: Trustee Prott, Trustee Trentadue, Trustee Dobbs, Trustee Wishau and President Bradley

Absent: Trustee Wanggaard and Trustee Willing were excused.

Also present: Village Administrator Tom Christensen, Acting Village Engineer Tony Bunkelman

**1. Meeting Called to Order**

President Bradley called the Public Hearing to order at 6:45 p.m., at the East Side Community Center, located at 6156 Douglas Avenue, Racine, Wisconsin

**2. Public Hearing Items as per Notice of Public Hearing:**

Bunkelman explained when the northern parcel was platted in 2007 for one road through the center rather than a loop of two roads, leaving the excess right-of-way unimproved for travel and is not necessary for public safety or convenience and the public interest now requires the vacation. The Plan Commission recommended the vacation of the right-of-ways at its meeting in January.

**Public Comments**

No citizens were present.

**3. Adjournment**

Motion by Trustee Dobbs to adjourn. Seconded by Trustee Trentadue. **Motion carried unanimously.**

The Public Hearing/Special Village Board meeting adjourned at 6:53 p.m.

Respectfully submitted,

Karie Torkilsen  
Village Clerk
