I understand that this motion does not guarantee my case(s) will be reopened since it is up to the discretion of the Municipal Judge. The Judge does not have to grant the reopening and if not reopened, I will still owe the forfeiture. A Motion Fee of \$50.00 per citation is due with this request. I understand that I **MUST APPEAR** at my scheduled hearing and if I do not appear and you do not pay your forfeiture on time, the court will: suspend your driving privileges for up to two years and/or issue a commitment for you to serve in the Racine County Jail at the rate of 1 day for every \$50 of the forfeiture amount that is remaining and/or send an intercept notice to the State of Wisconsin to seize your tax refund.
